

PUBLIC NOTICE OF INTENT

The City of Graham intends to file an application with USDA-Rural development for a Rural Utilities service loan/grant to enlarge the Graham Water Plant with a 6-8 million gallon a day capability, add a new 18" service line from the Water Plant, route to be selected, to compliment and back up the existing 24" line, add two .5 million or more gallon a day elevated storage tanks, pumps and automation links between tanks to improve capacity and pressure, perform structural and other repairs on the existing 6 million gallon a day Water Plant and repair troublesome lines that have frequent leaks or pressure issues.

A public hearing will be held regarding this notice on:

July 5, 2012

9:30 am

City Council Chambers

429 Fourth Street

Graham, Texas
