

City Council approved implementing Stage 3 Water Restrictions from Stage 4 effective May 21, 2015.

Stage 3 restrictions include reduced lawn watering to one day per week. Watering of lawns can only take place before 10 am and after 7 pm and only on the assigned watering days.

Addresses ending in Odd Numbers can water lawns during the designated hours on Wednesdays, and

Addresses ending in Even Numbers can water lawns during the designated hours on Thursday.

Sprinklers are not allowed on any day other than the assigned one day per week.

Violators of these restrictions and those wasting water are subject to fines.
