

## **CITY OF GRAHAM**

### **BID ANNOUNCEMENT – LAKE GRAHAM BOAT RAMP PROJECT**

The City of Graham is currently accepting sealed bids for concrete work at the West White Rose Road boat ramp on Lake Graham.

Interested bidders are requested to submit a single bid in two parts:

#### **Part 1 – Boat Ramp Approach**

Specification: Construct a concrete structure of 6,000 sq. ft. in surface area, more or less, suitable for light vehicular traffic with such structure to serve as an approach for a boat ramp. Owner requires concrete depth of five inches and inclusion of reinforcement bars of at least one-half inch in diameter and spaced per industry standard. Demolition of the existing structure will be required.

#### **Part 2 – Walkways**

Specification: Construct a concrete walkway mounted solid over water in locations to be specified by owner in following dimensions: five feet in width and a depth recommended by bidder-Owner requests bidders submit bids at lengths of **60** feet, **80** feet, and **100** feet for cost comparison purposes. Owner will select one length of walkway for award after bid evaluation. Piers for walkway shall consist of 4.5-inch metal pipe casing at a rating of least 10.5 pounds. Deck boards shall be 2 x 6 Trex Deck Board. Walkway shall include 2-inch square tubing which shall be bid at each walkway length. All metal shall be primed and painted using marine-grade paint.

Bids may either be mailed, or hand delivered, to Graham City Hall and addressed as follows:

**City of Graham – Boat Ramps Bid**  
**Attn: City Secretary**  
**612 Elm St.**  
**Graham, TX 76450**

Bids must be placed in a sealed envelope and arrive at Graham City Hall not later than **4:00 p.m. on Friday, May 19, 2023**. E-mailed bids will NOT be accepted.

The City of Graham reserves the right to reject all offers and withdraw the bid advertisement prior to receipt, or upon evaluation, of all sealed bids. This bid advertisement is made under applicable provisions of the Texas Local Government Code.
