

**City of Graham  
Public Notice  
Emergency Water Use Restrictions  
November 2, 2023**

The City of Graham requests that all citizens **restrict non-essential water usage** immediately until further notice.

The water is SAFE to drink and for essential usage.

The City will post an update once it's available.

Thank you for your consideration of this request for emergency water usage restrictions.

If you have questions or concerns, please contact City Hall at 940-549-3322.

**City of Graham  
Public Notice  
UPDATE: Emergency Water Use Restrictions have been LIFTED  
November 6, 2023**

Emergency water use restrictions have been **LIFTED**.

Resume normal water usage.

Thank you for your patience.
